## SWEETGRASS RODS JANUARY 2017 NEWSLETTER

HAPPY NEW YEAR to all our bamboo friends and family!

As the temperature is predicted to dip into the MINUS double digits for Twin Bridges this week, we are dreaming of warmer environs. (One can only drink so much eggnog and bourbon to keep the howling wolves at bay.)

Jerry Kustich enjoying warmer weather while we toil away in subzero temperatures.  
No, we're not jealous, really.

Moving swiftly (yet reluctantly) on from dreams of tropical landscapes....

Beginning this month, we will be offering rods for sale from Glenn Brackett's personal collection, as well as gently used rods.

More information about these rods will be available on our website within a few days. But if you are dreaming about these rare beauties, give us a call at:

406-684-5440

We would love to chat -- it's been said that talking on the phone raises body heat-- and we need all the heat we can get!

*Or for the über-motivated, send plane tickets to booboy@3rivers.net to anywhere with pink sunrises over salty waters. We'll bring the rods!*

Just some of the rods that will be available.

Magical.

And what about a beautiful silk line to go with your new rod? Available in artificial and natural silk. Handmade in Italy.

ABSOLUTELY SUBLIME
